

15TH ANNUAL ST THOMAS MORE LECTURE

ST THOMAS MORE PARISH AND FORUM DINNER 2019

WOMEN'S LEADERSHIP IN THE FUTURE OF THE CHURCH: NAMING THE NAMELESS

What future does the Church have? How do we imagine it? And what roles do we envisage for women as we do so? Dr Heaney's lecture will speak about women's leadership in the Church of the future and the need for creative, courageous and careful thought on this essential dimension of the Church's life. She will name some of the challenges the theme presents, and potential consequences of failing to do so. Drawing on Scripture, the history of the Church and theological reflection, she will explore insights that might help illumine our way forward.
