#### "Sharing your Faith Without Losing Your Friends" – Review

'How do I share my faith without losing my friends?' Most people are afraid to share their faith because they believe it may cause friction with their friends and family. Peter Holmes provides an approach to living and sharing our faith that is effective and yet aims to strengthen friendship rather than weaken it. Beginning with the belief that God wants every human being to have the best, we consider the hurts and barriers that may be blocking people from coming to peace with God and the ways we can genuinely help them without offending them.

**The objective of the St Thomas More's Forum is to promote thought, discussion and debate on the challenges of faith in the workplace, family and public life in the modern world.**

Supported by St Thomas More's Primary School

Supported by the Centre for Faith and Ministry in the Archdiocese of Canberra and Goulburn

The St Thomas More's Forum is a sub-committee of St Thomas More's Parish, Campbell
